Our institute is committed to nurturing creativity and artistic skills among working professionals by offering a series of certificate courses designed to fit their busy schedules. Now, with more time available, you can finally explore and enjoy your artistic interests.

Each course provides a comprehensive introduction to various art forms, blending theoretical knowledge with practical skills. Our aim is to help individuals fulfil their dreams and hobbies in a structured and supportive environment, inspiring creativity, enhancing artistic abilities, and fostering a deeper appreciation for the arts.

Our courses cover the basic fundamentals of art, introducing different materials and techniques. Students will receive guidance from expert teachers and gain hands-on experience. The courses offered include Basic Painting, Landscape Painting, Portrait Painting, Printmaking, Metal Work, and Ceramics.

Upon completing these courses, students will gain the confidence to express their ideas and experiences independently. Our ultimate goal is to enable everyone to enjoy life through art, using these courses as a form of meditation and personal fulfilment.
